

**Government Records  
at the  
Idaho State Historical Society Library and Archives**

Please note that not all collections have been inventoried or processed. In some cases, a collection number has been assigned even though materials have not yet been received. All government records are held in an off-site storage facility. Anyone wishing to look at specific materials must contact staff prior to their visit to the Library and Archives to ascertain the availability of items and request that they be brought to the Library for use.

Click on any of the following links to go directly to that part of the list:
